WHY GCI CONSULTANTS

GCI is accredited as a certified AAMA Field Test Agency by the Fenestration and Glazing Industry Alliance (FGIA) and certified as a Miami-Dade County Approved Testing Laboratory by Miami-Dade County Department of Regulatory and Economic Resources (RER).

For over 35 years, our industry-leading expertise spans the entire construction process and covers a wide range of projects. Our scientifically-backed testing and investigation methods are critical to identifying and helping solve complex building envelope problems. With offices in Florida and Minnesota, we have staff located across the United States.
